

# SUNMI L2Ks Smart Mobile Terminal New

Define a new classic for indoor applications and beyond.

## Lightweight

Designed for one-handed operations, L2Ks is light and ergonomic, to boost your efficiency anywhere.

## Better protection ratings

To withstand everyday usage, L2Ks is 1.8m drop resistant, IP68 rated and has passed 3000 0.5m tumble tests.

## ATL large-capacity battery, safe and durable

Equipped with a ATL battery cell, L2Ks features 800 charge cycles. The removable 5000mAh large-capacity battery can stand for up to 2 shifts. A new auxiliary battery helps eliminating downtime when changing the main battery.

## Professional scan engine

High speed — 10 scans/sec; long reach — up to one meter read distance; accurate — read just the barcode the laser aimer positioned; reliable — quickly read hard-to-read barcodes including scratched, stained, crinkled barcodes or DPM barcodes, etc.

## User-centric design

The optimized button design and scan angle, accidental touch protection for the power button, and user-facing speakers all contribute to a better user experience.

## SUNMI L2Ks Tech Specs

<b>Model Approved</b> T8A10	<b>OS</b> SUNMI OS (*based on Android 11)	<b>CPU</b> Octa-core processor	<b>Memory</b> 4GB RAM+32GB ROM 2GB RAM+16GB ROM (Not supported for GMS Version)	<b>Display</b> 4"HD, 800x480 Capacitive IPS
