

# SUNMI T2 MINI Desktop POS

A small device with complete functions.

## Small Footprint and Easy to Move

With a low profile body and a small size, it is easy to move and suitable for small stores.

## Professional and Smooth Printing

The built-in 80mm Seiko thermal printer delivers high-speed and quality printing.

## Multiple Payment Methods

In addition to a customer-facing scanner for QR code payment, an optional NFC module can also be added for tap-and-go payment.
