

# SUNMI D2s PLUS Smart Desktop Terminal

New

Better printing performance, and more.

## A More Powerful Printer Inside

A desktop terminal that prints at 250mm/s\* definitely will be your great helper at peak hours. The 80mm wide receipts give you more room for your creative ideas that show your brand personality, no matter by long texts or images, or combined.

## A Printer That "Feels" Smooths Your Business Operations

The newly added sensors for paper jam, paper pickup, out of paper and overheated motor can effectively protect the printer and also delivers smooth receipt printing experience.

## More Configuration Options
